

**TO:** All Little League Parents

**FROM:** David Homuth

**SUBJECT:** Fall League

**DATE:** June 24, 2009

West Bend Little League is looking to offer a Fall League this year. WBLL would like to offer an opportunity to players and parents that want to keep building on the efforts of the regular season. At this point, we are looking for general interest. It would be offered to all age groups currently in the Little League program (ages 7 to 14). At this time, it is to be determined if the league is going to be a combined instructional /competitive play or just instructional. It all depends on the numbers and interest generated.

The general start date would be immediately after Labor Day and would run into mid-October. The base structure of the league would be to play 2 to 3 dates a week.

If interested or if you have any questions, please contact David Homuth by emailing to [dhomuth@westbendlittleleague.com](mailto:dhomuth@westbendlittleleague.com).

Thank you.

Sincerely,

David Homuth
